Parties confirm that settlement is not possible in light of plaintiff's view that the goods are non-conforming. Plaintiff is given leave, with the consent of the other parties, to file an amended complaint by 7/22/11 to add a claim as to non-conforming goods and must advised by that date whether it still seeks to pursue its motion for default judgment [5] against UEX and Ferrara. Discovery must be completed by 10/24/11. With the consent of all the parties appearing, this matter will be referred to court annexed arbitration.
